Student Immunization Form

Please return this form with a copy of your immunization records.

Last Name _____ First Name _____ Middle Initial _____

Date of Birth _____ Male Female Phone Number _____

Home Address _____ City _____ State _____ Zip _____

Country _____ E-mail _____

Immunization Requirements

If you were born after 1956, you must comply with the Maine Post-Secondary School Immunization Law before you register for UMM classes. *If you were born before 1956, you are not required to show proof of immunization.*

Proof of Immunization

If you were born after December 31, 1956, you must submit the following to **University Health Services at UMM**:

A **SIGNED** record from a health official showing proof of

- Tetanus/Diphtheria (Td or Tdap) in the last 10 years, or Tetanus Toxoid (T) within the last 5 years
- TWO Measles/Mumps/Rubella (MMR) after your first birthday

Records must contain the dates (month and year) on which they were given.

While not required by Maine State law at this time, we strongly recommend that you receive the HEPATITIS B SERIES, and consider the MENINGITIS VACCINE, prior to enrollment.

MEDICAL/PHILOSOPHICAL/RELIGIOUS exemptions must be written as a formal request and attached to the form. Every student who is exempt, for any reason, will be required to leave the University if there is an outbreak of any disease for which exemption has been provided.

COMPLIANCE IS MANDATORY

Failure to provide this information will prevent your registration for classes.
